

A. Yamakido Was "From Missouri"

Last September 4, our good friend Mr. A. Yamakido, who has a ranch near Harbor City, bought a quantity of FORD AMMONIUM SULPHATE FERTILIZER to enrich his land before he planted his beans.

Mr. Yamakido wanted to know, "just how much good this Ford Fertilizer would do", so he left two rows of beans without using Ford Fertilizer on them.

Now on November 1, these two unfertilized rows are lagging behind the other beans in the field which are growing tall and strong with the aid of the genuine

AMMONIUM SULPHATE FERTILIZER

It's also fine for Flowers, Shrubs, Grass and Orchards. Use it Now That the Rains Are Starting.

CHRISTIAN SCIENCE CHURCHES
"Prohibition After Death" was the subject of the Lesson-Sermon Sunday, October 28, in all Churches of Christ, Scientist, branches of The

Method Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprised the Lesson-Sermon included the following Bible selection from I Corinthians 15: "For this corruptible must put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory."

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" (p. 427), by Mary Baker Eddy: "If man is never to overcome death, why do the Scriptures say, 'The last enemy that shall be destroyed is death?' The tenor of the Word shows that we shall obtain the victory over death in proportion as we overcome sin."

H. A. Kembel Is Buried at Inglewood

Beloved Church Worker and Lodge Man Passes Last Week

Funeral services for H. A. Kembel, were held last Saturday from the Stone & Myers Funeral home, with Reverend G. G. Schmid officiating. Interment was in Inglewood Park cemetery.

The deceased passed away Wednesday evening, October 24 at the osteopathic hospital in Los Angeles, after an illness of six months following an operation.

He was well known here and made scores of friends during the ten years he spent in Torrance.

He was superintendent in the plant of the American System of Reinforcing with Mr. Carlos, director of the Auditorium company, director of Business Finance Corporation of Los Angeles, director of the Pacific Southwest Corporation of Long Beach, trustee of the Central Evangelical church, and a member of numerous organizations, among which were the Masons, Odd Fellows, and the Woodmen of the World.

Mr. Kembel was born in Illinois September 25, 1865. Going to Oregon as a school teacher when a young man, Mr. Kembel became interested in the lumber business, which he followed in Oregon, western Texas, and Indian territory.

Entering California in 1918, he came directly to Torrance to live. Here he became interested in the American System of Reinforcing, as well as the other business concerns.

He died at the age of 65 years and 29 days, and is survived by two children, Robert and Marcella.

Bound Over to Superior Court

Antonio Torres and J. Garcia who were arraigned before Judge Crandall of Gardena, last week charged with attacking Felix Alvarado with a deadly weapon were bound over to the Superior Court for trial. No date has been set for the hearing.

The trouble occurred at a dance about three weeks ago. Alvarado was treated at the Jared Sidney Torrance Memorial Hospital for cuts and scratches.

Chicago Gunmen Hijack Majestics

Half a dozen radio dealers in Chicago and some 40 waiting purchasers of Majestic radios were gnashing their teeth today over an unlooked-for delay in securing their anticipated sets. It was brought about early this morning when four masked and heavily-armed bandits hijacked a truck belonging to the wholesale firm of Harry Alter & Co., slugged the driver, Walter Perkins, into submission, and drove off with \$7500 or more in radio equipment which was all ready for plugging into light sockets to furnish untrifling entertainment.

William C. Grunow, vice president and treasurer of the Grigsby-Grunow company, stated today that all of the sets were covered by insurance.

"While radio hijacking is a brand new venture," he said, "we are not surprised that ex-bootleggers would select a truckload of Majestics for their first operations. The sets are so much in demand that it is almost amazing that banditry has not been previously resorted to by unprincipled persons not desiring to wait the few days necessary to re-capture their sets."

Ladies Aid of the Methodist church will hold a Christmas sale December 4.
Mr. and Mrs. O. T. Chambers attended a houseparty at Lake Elsinore from Friday till Monday.
